BETI

My first impression of Tom was-total prick. What the fuck does "tone it down" mean? This is an action movie, it's supposed to be an adrenaline-rushing thrill ride! Nonstop yelling is obviously the way to go! I'm sure Tom will see things my way once we start filming.

LATER:

TOM

Good, good! That was great. Nice Leonidas, Jeff. Beti, can you tone it down just a little.

BETI

Tom, y'know, I really have a problem with that. I have been acting for 50 years! How many movies have you made? Is this your first? I think my expertise speaks for itself. I know exactly what I'm doing, Tom, and it's obvious to me that you do not know what you're doing because you have a problem with my performance! Tom, I understand we all have to start somewhere. But trust me, I know how to play this part!

TOM

Well, Beti, I see your point, but actually, Feminista was written for a 20 year old, so maybe you don't really know how to-

BETI

Tom, I have been acting for 50 years, I think I can pull off a 20 year old!!
