

THE MAKING OF  
by  
Matt St. Charles

Sides for  
STEVE

Steve reads lines for Tom.

TOM

Okay, let's start on page 4. You read for Justice Man.

STEVE

Right....

(sounds like Dudley Do  
Right)

Superheroes! The tides of fate have decided our destinies. It is time to face a harsh truth: there are no supervillains in our small home town. But I have a plan! Half of us will disguise themselves as villains, and we will do battle on the streets in order to gain recognition and glory! Then, we will have the respect we need to fight the true supervillains! Now, everyone take a straw.

TOM

Okay, that was really good, we'll be in touch.

STEVE

Great! Ah, I'm Steve Alton by the way.

TOM

Nice to meet you, Steve, Tom Banks.

Steve's eyes widen and his jaw drops.

STEVE

THE Tom Banks?

TOM

No, you're, you're thinking of Tom Hanks.

STEVE

Ohhhh.

Tom looks into the camera awkwardly.
