TOM
Isn't that hilarious? Don't these
guys just have a natural humor to
them?

SANDOR
Tom, this isn't supposed to be
funny! You are butchering my words!
This is a tragedy!

TOM
What? What do you mean?

SANDOR
The genre of Superhero Complex is
tragedy, Tom! It's a drama!! How
could you do this???

He dashes into the bathroom. Tom looks into the camera
awkwardly.

LATER:

TOM
Sandor, this just isn't tragic to
me!

SANDOR
Then you obviously don't understand
it!

TOM
It's about a group of losers trying
to become famous superheroes,
that's FUNNY! There's nothing SAD
about that!

SANDOR
It's a social commentary! Delusions
of grandeur is a serious illness!
That's tragic!

TOM
Okay, Sandor. What about the
bananas? Explain the bananas to me.

SANDOR
The bananas symbolize the delicate
balance between good and evil. When
used properly, a banana is an
excellent source of potassium that
will strengthen a man's body. But
when abused, a banana can cause a
man's downfall, and harm his body.
