

THE MAKING OF

by

Matt St. Charles

Sides for
DENTIST 1 & 2

Tom hands the book to Dentist 1.

TOM

Amazing book, check it out.

The dentist holds it up and starts to flip through it.

TOM

It outlines every single step of making a feature, from concept through completion, and all the way to distribution. I've got a detailed strategy written up for the-

DENTIST 1

"Dentists are the stupidest rich people."

DENTIST 2

What the hell is this, Tom?

DENTIST 1

You think we're stupid? Is that why you came to us? You thought we'd be willing to let you flush our money down the toilet?

The dentists get up in a huff.

DENTIST 2

Oh sure, we've all heard the joke about the dentist dropping out of doctor school. Well guess what, chump, news flash: we like cleaning teeth! Dental health and hygiene is very important to us!

DENTIST 1

Did you even know that gingivitis is the leading cause of death in some countries? Probably not. YOU'RE the stupid one, jerk-head!

They exit and slam the door. Tom looks into the camera awkwardly. Then Dentist 2 sticks his head back in.

DENTIST 2

You'll never have your teeth cleaned in this city again!

Slam!
